TO: Mr Freeze... True enough I trunt 4 yrs into  
142 yrs, but it was for a righteous cause and  
not because I just went and done something  
stupid. I was raised that, "if you don't stand  
for something, then you'll fall for anything."  
WHAT DO YOU STAND FOR?!  
PEACE OUT,  
CHRISTOPHER TROTTER

TO: Conilee... Curiosity killed the cat, but  
satisfaction brought it back. If you are not  
quite sure what it is about me that you would  
like to get to know. Then why not write and  
get to know me before you let your mind  
wonder to far? My life story is exciting.  
AND ENTICING!

To: TORI... Thanks for your positive words of encouragement. I've been in general pop since Aug 10th, and my transition is going well. I'm keeping a level head and staying out of trouble. Still working on getting a job, but other than that, I'm just keeping the faith.

How are you doing? If you ever need to talk, I'm a good listener. You can write me at:

To: WARRIOR PRINCESS... I'm elated to hear you found interest in my story. Thanks for watching. I'm adjusting to general pop ok, but to me, I'm still in prison. These people might have my body, but my mind and spirit are free. U feel me?

I'm strong but human!

Peace Always,
