

Baby Girl's Photo

This photo of me in August 2008 at Folsom is about a year and a half after my full gender transition. I changed my name, plucked my eyebrows, and grew out my hair. Notice I'm smiling and much happier as a femme woman.

I've been unable to have the opportunity to get a better or more recent photo. Hopefully, I will be able to post one in the next couple of months.

I welcome you to post your comments, or write to me directly at the following address:
