

I Remain in Solitary confinement Because I Really don't  
feel safe Being housed with Now sex offenders due to  
Recent and past assaults. So I Refuse all cellies until  
they come up with a way to safely house me. For all  
most 24 years its the same thing, they lock you up  
temporarily and transfer you until the next incidence  
happens and sex offenders always get put in  
Solitary confinement. They have Destroyed all my property  
Because I Refuse to continue the charges - all so I lost  
all Privileges so I can't even Shop in the Store to  
buy writing Paper and other Necessities. Im very  
depressed and Becoming Ill. Theres No one to  
introduce for me - And since I keep Refusing cellies  
that are gang members - they continue to extend  
my Shu.

# RULES VIOLATION REPORT

115: S.N.

CDC NUMBER E-81393	INMATE'S NAME COLLINS	RELEASE/BOARD DATE 03/18/2053	INST CSP-COR	HOUSING NO. 4A4R-39L	LOG NO. 4A4-12-11-50
VIOLATED RULE NO(S) 3005(c)	SPECIFIC ACTS WILLFULLY DELAYING A PEACE OFFICER/ REFUSING TO ACCEPT ASSIGNED HOUSING	LOCATION 4A4R Cell #39	DATE 11/19/12	TIME 1000	

On 11/19/12, at approximately 1000 hours, I approached cell #39, solely occupied by inmate COLLINS, E-81393 in building 4A4R and informed him per departmental policy; it is the expectation that inmates who are double celled cleared are to accept housing assignments as directed by staff. Policy states housing assignments for inmates are not based on random cell availability. Rather, they are based on available documentation and individual case factors reviewed by assigned Correctional Counselors. Inmates are not entitled to single cell assignments, or a housing location and/or cellmate of their choice. All inmates are expected to be double celled if such housing assignment is deemed to be appropriate in order to maintain efficient operation of the institution. This policy is to be adhered to in General Population, Administrative Segregation and Security Housing Units. A review of COLLINS's Central File found no case factors and/or documentation that would prevent inmate COLLINS from being housed with another compatible cellmate. Inmate COLLINS was cleared for double cell housing by California State Prison – Corcoran's Institutional Classification Committee on 10/10/2012.

(CONTINUED ON CDC-115-C)

Inmate COLLINS is a participant in the MHSDS at the CCCMS level of care and has a TABE score of 6.4.
