WOD Zine Project Issue #1 is our debut issue

WOD Zine Project Issue #2 is our homage to the ladies

WOD Zine Project Issue #3 is our clear representation of Who We Are

WOD Zine Project Issue #4 is Coming Soon maby my favorite :)

each issue has a @ Golgotha interview inside along with artwork, poetry, photos, columns, and commentary on a wide range of issues.

We are not proz, and most of us have no idea what we are doing, but as one, A New generation of inner city youth housed at California death row are, for the first time in death row history, moving in the same direction, with one project to help keep our next generation off of death row.
