17 July 2016

The reason for a two-month gap in me posting on my blog is that I didn't have the postage-embossed envelopes to do so. Also, I was tied up preparing a 37-page brief for my federal appeal (i.e. Appeal No. 16-1528 - look it up on [www.ca7.uscourts.gov](http://www.ca7.uscourts.gov)) of a civil-liberties (Free Speech) suit

about Waupun Corr. Inst. staff maliciously destroying my drawings & books, etc.

Those of you following my blog know what I'm about, that I'm a doer, not a talker. And you know that I have no family looking out for me, & why that is. You also know from previous posts that I can't buy anything for myself, as I owe over \$10,000 in court costs, etc., so any money I get is taken for that. I can't even buy deodorant & there's no way to get it from other prisoners as I'm in the Restrictive Housing Unit here.

Your help helps me help other prisoners & expose the reality of prison.

I can only write newspapers & mail legal papers to other prisoners if you purchase the post-paid envelopes & paper for me to do so.

Many times readers say they'll do so, yet don't. This, to my dismay, is the case with [joan@forensic-psychology.net](mailto:joan@forensic-psychology.net). But I've been through the worst (e.g. held in a freezing cell smeared with another prisoner's shit & piss, with only underwear & socks, for 3 days) & am too much of a SOB to stop truckin'!

Please step up & help!
