Dear Kyla Johnson-81

Thank you for writing to me. I haven't been writing as much as I should - laziness!! You mention that you'd like to be my pen pal - I'd enjoy getting to know you. You can write to me directly at the address below. I moved out of the Corcoran Shu into Lancaster State Prison. I will write a lot more when I hear from you. There's not a lot of space left on this paper. I was born on 10-27-61 in Riverhead, NY. Came to California in the 70's. My mother and brother are deceased. I'm the youngest sibling of five kids. I have one son in PA. He lives with his mother - I have never been married. Tell me what you enjoy doing - Are you the outdoors type? Do you like sports - probably more a shopping gal!! I like to shop - newness of anything is nice. Well I'm going to stop here. I look forward to talking with you.
