[Evolution of poem series]

" A Poem & It's Audience

"

By: Ras Uhuru . ©\®™

1. A Poem without a audience ,
is still a Poem .
2. But magic ---- Energy has missed -steppd and found it self--lost .
3. Sound has unbundled and string vibration has turned to flat space .
air has become a vacuous vacuumuous vacuum fluctuation .
4. Blackholes have lost their holes ,
supernovas have become stupidnovas ,
and novaless novas .
5. Electricity is sparkless ..
6. Breathe is Breathless .
The Pen is a Shell with no fire ,
bullet with no gunpowder ,
the Dull sword , a wingless arrow .

The Poem , A heart with only one beat .
For even the author becomes a audience member when serving it up for a audience .
