

I'm being blamed for 9/11, and I can prove it.

Whats $9 + 11$? That's right, 20; I was

arrested on 5/20/04. My trial started

on 4/11/05; look:

4/11/05

Both of these dates were chosen for a reason.
They were gonna arrest me on 5/20/04 no
matter what.

9/11 was not my fault!
