

Peeling off the dead weight (Part 3)

The family unit is a very important part of our society. Many people are not feeling that or believing it anymore. Just look around children don't respect their parents or the older generation today. Then you have the elderly being abused by their own family members, while on the other hand mom and dad is alcoholics and drug users, not caring about their own children they produce. While domestic violence is on the rise in the home. Today, I want to visit the subject family. I hoping to change some people negative view and help us to stop being unappreciative of your family relationships. Church members your first ministry is your family. How can you minister to somebody else when you don't even love your own family members. I remember when my ~~dad~~ pops sometime bring us to Georgia to our family reunion. My cousin would express they really didn't want to come from New Jersey to Georgia because everybody claim to be your relative. Being partial raise in Georgia I agree with them. When I read this I said hum didn't they older people get this from the word in Georgian. Genesis 5:3-5 ~~and~~ when Adam had lived 130 years, he had a son in his own likeness, in his own image and he named him Seth. Study notes: all human beings are related, going back to Adam and Eve. Mankind is a family that shares one flesh and ~~to~~ blood. Remember this when prejudice enters your mind or hatred invades your feelings. Each person is a valuable and unique creation of God. Even family was important to God. The Bible contains several lists of ancestors, called genealogies: Two basic views concerning these lists includes: (1) they are complete, recording the entire history of a family, tribe or nation; or (2) they are not intended to be exhaustive and any ~~is~~ include only focus people or the heads

of families "Became the father of" could refer not just to a son, but also to a more distant descendant. Why are genealogies include the Bible? The Hebrews passed on their beliefs through oral tradition. For many years in many places, writing was primitive or nonexistent. Stories were told to children who passed them on to their children. Genealogies gave a skeletal outline that helped people remember the stories. For centuries these genealogies were added to and passed down from family to family. ~~Even more important~~ God had family on his mind as the bible talks about family. One of my biggest to do is setting an example for my children. Even though I end up in prison. I talk to them about why I was here, what not to do and be careful of certain people. Pray in ask God to send them ~~you~~ godly friends. But God gives us wisdom. ~~the~~ Devil can use anyone who has an open door. Micah 7:1-7
What misery is mine! I am like one who gathers summer fruit at the gleaning of the vineyard. There is no cluster of grapes to eat, none of the early figs that I crave. The godly have been swept from the land; not one upright man remains. All men lie in wait to shed blood; each hunts his brother with a net. Both hands are skilled in doing evil; the ruler demands gifts, the judge accepts bribes, the powerful dictate what they desire - they all conspire together. The best of them is like a brier, the most upright worse than hedge. The day of your watchmen has come the day God visits you. Now is the time of their confusion. Do not trust a neighbor; put no confidence in a friend. Even with her who lies in your embrace be careful of your words. For a son dishonors his father, a daughter rises up against her mother, a daughter-in-law against her mother-in-law a man's enemies are the members of his own household.

God left a promise to us that are praying for our families. The very last ~~very~~ verse in Micah 7:7
But as for me, I watch in hope, for the Lord, I wait for God my savior; my God will hear me. Pray for your loved ones. But parents we have responsibility (and) when it comes to our children teach them the right way to live when they enter out of our wombs. Such as ~~the~~ when a little one can hold their bottles. We had to teach them to grab it the way. When they begin to walk we held their little hands guiding them the right way to walk. That is what parents suppose to do. Let's reflect to ~~Gen~~ Genesis 26:7-11 Isaac was afraid that the men in Gerar would kill him to get his beautiful wife ~~her~~ Rebekah. So he lied, claiming that Rebekah was his sister. Where did he learn that trick? He may have known about the action of his father, Abraham. ~~Ab~~ Genesis 12:10-14 Abram act out of fear, asked Sarai (his wife) to tell a ~~half~~ half truth by saying she was his sister. Abram's intent was to deceive the Egyptians. He feared that if they knew the truth, they would kill him to get Sarai. Abraham had used this same trick before to protect himself. Parents shape the world's future by the way they shape their children's values. The first step toward helping children live rightly ~~is~~ is for the parents to live rightly. Your actions are often copied by those closest to you. What kind of examples are you setting for your children? For many children, everywhere they look majority of the adults are teaching them bad behavior or not living worthy nothing in fact they are they are doing the same they are doing. In the book of Micah 7:1-4 Micah could not find an upright person anywhere in the land. Even today, uprightness (honesty, integrity) is difficult to find. Society rationalizes sin, and even

Christians sometimes ~~compromise~~ compromise Christian principles in order to do what they want. It is easy to convince ourselves that we deserve a few breaks, especially when "everyone else" is doing it. But the standards for honesty come from God, not society. We are to be honest because God is truth, and we are to be like him. Sin had affected the government leaders and society in general. Deceit and dishonesty had even ruined the family, the core of society. As a result, the only way left to ~~purify~~ purify the ~~people~~ people was God's judgment. This would draw the nation back to God and restore them from the inside out.

To any family member under the sound of my voice you know you have not been the best parents, ~~neighbor~~ ^{Continents} sister, brother, co-worker, neighbor, church members, Nations pastor, Bishop, wife, husband, Senator, judge, district attorney, ^{United Kingdom} choir member, deacons, usher, governor, mayor, Congressmen/women, Whitehouse personal, news reporter, celebrities, prophets, prophet, children, young adults, senior citizen. God is calling everyone to repent from their wicked ways. Family don't just extend to your personal kin. Who do you band with everyday. God says I want your whole heart. You want to see a change in your nation, neighborhood, communities, family, league, ~~celebrity~~ (lies), coaches. We want to see a change, the change start inside of you and me. The place we need to start - ~~to~~ I am speaking to your spirit, people I ~~am~~ ^{am} ~~in~~ ⁱⁿ ~~the~~ ^{the} ~~book~~ ^{book} ~~of~~ ^{of} ~~the~~ ^{the} ~~Chronicles~~ ^{Chronicles} 2:14. If my people, who are called by my ~~name~~ name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land. (alabays) pray for our nation, families etc. daily. In ~~Chronicle~~ ^{Chronicle} 2:14. In chapter 6, Solomon asked God to make provisions for the people when they sinned.

God answered with four conditions for forgiveness: (1) humble yourself by admitting your sin (2) pray to God, asking for forgiveness, (3) Seek God continually and (4) Turn from sinful behavior. True repentance is more than talk - it is changed behavior. Whether we sin individually, as a group, or as a nation, following these steps will lead to forgiveness. God will answer our earnest prayers, for everyone who is tired of living any old way, being depressed etc. you need a change pray this prayer with me. Romans 10: 9

Salvation prayer - pray this prayer out loud - watch the begin to change your heart as you read his word and pray daily. Find you a church home, so you can have that spiritual guidance. Let's pray Heavenly Father I come to you now in the name of your son Jesus Christ. I confess that I am a sinner and that I have sinned against you. I ask you to forgive me for all of my sins and I repent for my sins and I choose to follow and obey and accept your ~~son~~ son Jesus Christ as my Lord and Savior. I believe in my heart that you sent your son Jesus Christ to die for my sins on the cross at Calvary. I believe that your son Jesus Christ was born of the virgin Mary, was crucified and died on the cross at Calvary for me and the sins of all others. I believe that after 3 days, He was raised from the dead, ascended into heaven, and is alive today. I ask you Jesus Christ to be the Lord of my life and to be my Savior. I receive you you now as my Lord and Savior with all of my heart. I believe that Jesus Christ is alive in me and I ~~do~~ declare that Jesus Christ is the Lord of my life. ~~God is watching your life change. I went~~ Watch your life change. I went talk to people who ~~are~~ are rebellious deliberately

because they feel their life was rough growing up. You have found every reason to wallow in self-pity and bitterness. We don't land in a prison, jail, juvenile detention or any other bad situation because my mom gave me away, I've been homeless, Sally or Mike mistreated me, etc. just to name a few excuses why we feel we made the wrong decision in our lives. The truth was ~~broken~~ he was broken but Jesus sent people in our lives to warn us to stop what we doing or else we was going to find ourselves in trouble. The whole while God was saying let me heal your brokenness. Because I have plan for you & Jeremiah 29:11 for I know the plans ~~to give~~ I have for you, "declares the ~~Lord~~ Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. We wouldn't listen to the people he sent us instead some of us just got meaner and disrespectful to anyone we came into contact with cause we was angry at a parent who didn't defend for us when was you etc. So I grew up fighting and skipping school. It didn't go on my record but I was on ~~for~~ juvenile probation for 90 days if I violated I would have went to juvenile detention center. I know what ~~is~~ it is not care ~~is~~ anymore. Youth I can relate younger adults I can relate. My people on the ~~streets~~ Street with one foot almost locked and people behind the walls God wants to heal your brokenness. Many of you know the right ~~way~~ way. You are a broken vessel. Luke 4:18 The Spirit of the Lord is on me because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind.

to release the oppressed, to proclaim the year of
the Lord's favor. God says your life is not over
it don't matter who have done what to you or
said whatever. God says he has a plan for you,
he wants you all to rededicate your heart
to him. Watch see the victories in your life.
Society may have written you ~~off~~ ^{off} because of
the crime you have committed. Even on death row,
God says he wants your heart. He can mend your
heart where you was broken. God has the final
say about your life. He spared your life for
a reason. Today God wants to ~~you~~ ^{you} to repent!
Turn away from all your offenses; then sin will not
be your downfall. Hide yourselves of all the
offenses you have committed and get a new heart
and a new spirit, Ezekiel 19: 30-32 solution to the
problem of unintended guilt is for each person to
have a changed life. This is God's work in us and
not something we can do for ourselves. The Holy
Spirit does it (psalm 51: 10) Because we are born
as sinners (51: 5) our natural inclination is to
please ourselves than God. David followed that
inclination when took another man's wife. We also
follow it when we sin in any way. Like David, we
must ask God to cleanse us from within (51: 7)
Cleaning our hearts and spirits for new thoughts
and desires, right conduct can come only from
a clean heart and spirit. Ask God to create a pure
heart and spirit in you. Then when you call upon
~~me~~ ^{me} and come and pray to me, and I will listen
to you Jeremiah 29: 12. If we renounce our life's
direction of sin and rebellion and turn to God, he
will give us a new direction, a new love, and
a new power to change you can begin by faith, trusting

Remember there is a remedy for you getting on the right path in life! John 1:9 If we confess our sins, he is faithful and just and will forgive us of our sins and purify us from all unrighteousness.

God's ~~power~~ power to change your heart and mind then determine to live each day with him in control (Ephesians 4:22-24). We got to get out showing a typical childish response to punishment is to say, "That isn't fair!" In reality, God is fair, but we have broken the rules. It is not God who must live up to our ideas of fairness; instead, we must live up to his.

Don't spend your time looking for the loopholes in God's law. Instead, we should do all in our power to bring them to faith. ~~Ezekiel~~ Ezekiel 18:30-32.

Micah 7:9 understood that if the people would be patient and obedient while they were being punished, God would forgive them and show his goodness again (Lamentations 3:39-41). Punishment does not

mean rejection. The people were being punished in order to bring them back to God, not to send them away from him. When you ~~face~~ face trials because of your sin, do not be angry with God or afraid that he has rejected you.

Instead turn away from your sin, turn to God, and continue to be patient and obedient. In an age when religion was making little difference in people's lives, Micah said that God expected his people to be just, merciful, and humble (6:8). He requires the same of Christians today.

In a world that is unjust, we must act justly. In a world of tough breaks, we must be merciful. In a world of pride and self-sufficiency, we must walk humbly with God. Only when we live according to God's way will we begin to affect our homes, our society and our world.
