

## Don't Call Me Mister

Dear Mothers and daughters  
My sisters and Queens  
Don't call me mister  
I'm a woman with dreams

Though born as a boy  
I've become a girl  
A transgender woman  
Trapped in a man's world

I'm an Amazon warrior  
My devotion is true  
I worship the Goddess  
Within me and you

So Lesbian lovers  
And Amazon sisters  
Please have respect  
And don't call me mister.
